Dear Sir

I telegraphed you this
afternoon
192
"May we fix Friday twentieth
for friendly breakfast here
instead of Thursday as pro-
posed to Mrs Collingwood
Thursday most unsuitable
write a write to me"

The reason we are wishful
for Friday is that the 19th
is the Quarterly Meeting day
of the Society of Friends & they
will be occupied nearly the
whole day, many of them
are very dear friends of
mine and no doubt would
like to be present, the next

ing is only held here once in the
year & they would not like to
miss it. We trust that Friday
will be convenient hoping
fortunately I had your address
in a note from Mrs Mawson
& was thus enabled to telegraph
you will you kindly let
me know if you have not
already done so whether
we may write our ar
rangements for Friday.

Yours very truly

Frederick Clark
